 EXPOSITION METRO LINE CONSTRUCTION AUTHORITY  
 REQUEST FOR PROPOSAL No. XP8901-826  
 PHASE 2 PERFORMANCE AUDIT SERVICES

Item	T&C Section	Pg	Question	Answer
1			Could you please indicate how many copies of the above referenced proposal are required to be submitted?	Four. This will be incorporated into Addendum 1.
2			For the 5 change orders to be reviewed, can you provide the scope/type of services associated with them (e.g. design of tracks, signals, station structures)? Something that will give us an idea of the types of labor categories and skills involved.	Three of the five are primarily structures and the others have a mix of the following disciplines: trackwork, civil/roadway/drainage, utilities, signing & striping, lighting, Mechanical/Electrical/Plumbing (stations), landscaping & irrigation, communications, structures, architectural.
3			Is it possible to obtain MS Word versions of the Forms and Certifications in Part V of the RFP and the Form 60 (Attachment C)?	No. The Authority does not want to check each and every word to see if something has changed on the standard form(s).
4			For the proposal format the RFP indicates using "tabs" to identify sections within each package. Are we required to actually attach physical tabs that stick out from the pages or are these tabs simply the required indexing conventions?	These tabs are the required indexing conventions.
